Consider a Tax-wise Gift

As an ecumenical magazine without denominational support, we face a continuing struggle to make ends meet. **You may be able to help us.** If you are selling any property that has appreciated rapidly—real estate, business assets, stocks—stop right now! You could get a tax-deduction *and* avoid a capital gains tax by giving that property to *Daughters of Sarah*. It would cost you much less than giving the same amount in cash. The funds you contribute will be invested in a socially responsible portfolio. A gift worth $1000, $5000, or $10,000 would be a tremendous boost.

If you would like to:

—see this women-centered organization flourish;

—encourage younger daughters of the church to become all they were meant to be;

—avoid paying extra taxes to a government *not* committed to helping women and children;

consider investing in *Daughters of Sarah. Call 312-736-3399 for information.*
